Education

VIT-AP University

2021-25

Bachelor of Technology in Computer Science (GPA: 7.5 / 10.00)

Amaravati, Andhra pradesh

Sri Chaitanya Junior College

2019-21

12th Standard (Percent: 87)

Hyderabad, Telangana

Sri Chaitanya school

May 2019

10th Standard (CGPA: 9.0)

Hyderabad, Telangana

Experience

Unified Mentor

May 2025 – Jun 2025

Fullstack Web developer intern

Hyderabad, Telangana

- Developed a full-stack EV recharge bunk booking system using Firebase for authentication, database, and hosting.
- Enabled real-time station listing, user login/register, slot booking, and map-based station display.

Vision Technologies

Aug 2023 – Oct 2023

IoT Intern

Hyderabad, Telangana

- Developed a smart irrigation system using Arduino, ESP8266, DHT22, and soil moisture sensors to monitor environmental conditions and automatically control a water pump based on real-time soil moisture levels.

Projects

Online Retail Store Management Portal | PHP, MySQL, Javascript

- This E-commerce Management System is a full-stack web application built using PHP and MySQL that enables users to browse products, manage carts, and place orders.
- Admins can add products, view orders, and update order statuses through a secure admin panel.

IoT-Based Smart Agriculture System | C++, Flask, Arduino UNO, HTML,CSS

- Developed an IoT-based smart agriculture system using Arduino, ESP8266, DHT22, and soil moisture sensors for automated irrigation.
- Enabled live data visualization via a Flask web dashboard.

EV Recharge Bunk web app | React.js, HTML, CSS, JavaScript, Firebase

- Developed a full-stack EV charging slot booking system with user authentication and real-time bunk data.
- Integrated Google Maps to display EV charging station locations interactively.
- Utilized Firebase for backend services including Firestore, Auth, and project hosting.

Technical Skills

Languages: Java, Python, ,HTML CSS, JavaScript

Relevant Coursework: Object-Oriented Programming, Data structures, DBMS, Operating systems, Software Engineering

Frameworks: React.js, Node.js, Express JS, Flask

Deployment: Firebase, Netlify, Railway

Technologies: REST APIs, Agile Development

Database Management: MySQL, MongoDB

Soft Skills: Effective Communication, Team Collaboration, Problem-Solving, Adaptability

Certifications

- Oracle Cloud Infrastructure 2025 Certified Foundations Associate
- Google Cloud digital leader
- Cisco network academy Javascript essentials
- Infosys springboard Angular certification

Social Engagements

Social Media Manager Comedy Club, VIT-AP (January 2024 - December 2024)
